

# The Old Verulamians Lodge

## No. 7988

[www.oldverulamians.org](http://www.oldverulamians.org)

I am currently trying to build a library of documents that will be useful for all members of the lodge regardless of rank or experience.

I would like copies of historical documents, anecdotes, in fact anything of interest.

Share your experiences etc. with us all.

Thanks

**Lodge Mentor**
